Category:Videos

This is a **main category** requiring frequent **diffusion and maybe maintenance**. As many pictures and media files as possible should be moved into appropriate subcategories.

This category should **only** contain **video files**. Any other media types present in this category should most likely be moved into a parent or sibling category.

This category and its subcategories are for video files. For help viewing these videos, see Commons:Media help. Please place images & files *about* video into Category:Video.
